****Please keep this discipline policy for your records.
Please do not submit this with your forms. ****

DISCIPLINE POLICY:

Implementation of Discipline Policy:

The goal of discipline is to help the child develop inner controls so that he/she may move toward appropriate social behavior. Methods for resolving conflicts are:

- Positive guidance
- Setting clear limits
- Redirection

When disputes arise among children or between a child and staff member, the teacher will encourage a talking out process among those involved. The goal of this talking out process will be to acknowledge feelings and find solutions using children's ideas whenever possible.

A child who may be overly aggressive or repeatedly destructive of other children's work may be asked to make an activity choice in another area if talking things through has not resulted in better self-control.

Staff will continuously supervise children during disciplinary actions.

Staff shall not be abusive, neglectful, or use corporal, humiliating or frightening punishment under any circumstances. No child shall be physically restrained unless it is necessary to protect the safety and health of the child or another child or adult.

Basic Ground Rules for Participants

1. Always stay within the specified areas of the ECC Program with a staff member. Never wander off on your own.
2. Always listen to the directions of the staff members'/playground assistants. If you don't understand or agree, listen first and discuss with the staff member later.
3. Keep your body to yourself. No hitting, kicking, spitting or fighting is allowed.
4. If someone hurts you, tell him or her to stop and tell a staff member right away. Don't hurt them back.
5. Leave other people's belongings alone. Do not take other people's things without permission.
6. Be respectful of the property (games, toys, etc.) of the ECC program and school – treat it like your own.
7. Think about the words you speak. Words can help and words can hurt. Using inappropriate or nasty words, teasing and making fun of others is not tolerated.

In the event that a child fails to follow these basic rules, or other directions given by the staff, a sequence of corrective techniques will be employed by the staff to help the child and to avoid any possible disruption.

Step 1 – Reminder of Rule(s)

In the case of a minor behavioral situation, the child will be reminded of the rule he or she is forgetting or breaking and be asked to correct the behavior accordingly. Most issues are addressed at this level with the staff member in order to correct small lapses in judgment.

Step 2 – Time Out

If a child seems to be having difficulty with correcting inappropriate behavior, by either repeating behaviors already identified as unacceptable or refusing to acknowledge the seriousness of an infraction, staff members may utilize a "time-out". This calls for a staff member to separate the child from the group's activity and discuss more in depth the reason for the "time-out". The duration of the "time-out" depends on the age of the child, nature of the presenting problem and the judgment of the staff member in charge. The child will remain under constant supervision during the "time-out" period. At the conclusion of the "time-out", the child will be reunited back with the group and rejoin the activity. The parent will be notified of the situation by the staff member in charge. All incidents describing the situation which led to the "time-out" will be documented in the child's file.

Step 3 – Early Pick-Up

If it becomes clear that a child in the program is not responding to the staff's attempts to help correct an unacceptable behavior, you will be contacted about the current situation and may be asked to pick-up your child immediately. If an immediate pick-up is not possible, we may contact you in their presence and ask you to reinforce our efforts over the phone with your child so that they understand that both the staff and parents take the Program Rules seriously. The child may be asked to sit out of activities for the rest of the program that day if they cannot regain composure.

Step 4 – Suspension from the Program

In the rare event that a child fails to respond with a change in behavior after experiencing the 3 steps outlined above, or in the event that the problem is serious enough to skip directly to this point, the Program Director/Head Teacher will contact you and tell you your child must be picked up from the program immediately and a one-day* suspension will be required to take place the next day the child is scheduled to attend. At this time, the circumstances surrounding the problem will be explained fully and we may suggest a meaningful duration of suspension from our program.

First Offense: Early pick-up and one-day suspension

If a child continues to display disruptive behavior or has any other difficulties adjusting to the program, the situation will be discussed with the Program Director/Head Teacher and the parent(s) in order to provide recommendations for developing a plan toward resolution.

Second Offense:

If another offense should occur that results in suspension, the Program Director/Head Teacher will enforce a suspension up to one week.

In the event that suspension from the program is ineffective or deemed insufficient to address the problem behavior, we may exercise our right to terminate a child's enrollment for the remainder of the school term. The Head Teacher will contact the program's consultants for advice before step 5 is implemented.

Third Offense: Consideration for Step #5

Situations that could possibly lead to this step may include serious, willful injury to another child or staff member; blatant disregard for the safety of other children and/or staff; serious, willful destruction of another person's belongings or ECC/School property; and/or a child's clear statement of intent to disregard the program rules and/or staff's directions.

Step 5 – Dismissal from the Program

If a child continues to display disruptive behavior or has any other difficulties adjusting to the program, the situation will be discussed with the Childcare Director/Head Teacher and the parent(s) in order to provide recommendations for developing a plan toward resolution.

Dismissal from the program is seriously considered when the health, safety and welfare of the child(ren) are of concern, other children or staff are at risk, or when it affects the productive operation of the program

The Program Director/Head Teacher reserves the right to permanently remove any child(ren) from the program based on, but not limited to:

- Violations of the pick-up policy
- Persistent disciplinary problems with the child
- Demonstrates aggressive or threatening behavior towards staff or children such as hitting, kicking, biting, etc.
- Unproductive interactions on the part of the parents/ guardians and any other situations that interfere with the ability of the program to provide an effective and positive environment for the children.
- Failure to provide/discuss all pertinent information and documentation related to a child's IEP, behavioral reports and past or present diagnoses pertinent to the child's success in the program.

*If any child destroys school property during our program hours, his or her parent will be responsible for any expenses deemed necessary by the school.
